

# slickrock METALLIC SILVER 300

## Specification Data Sheet

### Product Description

The newest addition to Moab's metallic range of fine art inkjet papers. Slickrock Metallic Silver 300 is an ultra-shiny, true metallic inkjet paper with a unique instant dry coating for vivid image reproduction. The metallic surface produces images that jump off the paper and can be handled immediately after printing. This 300gsm paper is ideal for both fine art and everyday image reproduction. Slickrock Metallic Silver 300 is compatible with both dye and pigment inks.

-Available in single sided sheets and rolls
